

FRANKIE FORD

Frankie Ford sang his way to rock n' roll immortality via the mega hit, "Sea Cruise" in 1959! The record has since become one of the biggest selling rock n' roll records of all time. Frankie's second million seller was "You Talk Too Much" which solidified him as a force in rock n' roll!

Frankie tours regularly all over the U.S. and Canada as well as in Europe. His wild New Orleans style of piano playing and ability to still "boogie with the best of them" helps make the Frankie Ford legend live on!
