

FREDDY

"BOOM BOOM" CANNON

Freddy has been performing his style of high energy rock and roll for over 35 years. Born in Revere, Massachusetts, people began calling him "Boom Boom" because of his driving beat, the "whoos" that he would yell on his records and because his name was Cannon.

In recent years he has averaged 125-150 concerts annually across the world including stops at Madison Square Garden, Disneyland, Universal Studios and in Las Vegas.

Tallahassee Lassie, Palisades Park, Where The Action Is and Way Down In New Orleans are a few of the hits which make him a crowd favorite.
