PRESENTS

PAUL REVERE AND THE RAIDERS

Paul Revere on stage is a matchless anchor man. He has instinctive timing and though he trades in visual corn, it is very, very sophisticated. He has, (like Moe of the 3 Stooges) an affection for cartoon violence which sometimes falls short of reality by a second or an inch. He is the best

band leader in rock and roll and much of his visual talent remains untapped. Organized in 1958, Paul has a knack for finding the finest talent and personalities to keep his group a top act year after year. Over the 4 decades of the Raiders, the group has had 25 consecutive hit singles, 5 gold albums and has sold nearly 50 million records!
