PRESENTS

THE FORTUNES

Over the years, The Fortunes have become not only a fine nostalgia act, but also seasoned entertainers in today's competitive marketplace. Retaining the unique vocal sound that made them hit recording artists, The Fortunes have kept their fingers on the pulse of our times.

Hip costuming, slick choreography and funny comedy as well as the music take us from hits like: *You've Got Your Troubles*, *I've Got Mine* and *Here Comes That Rainy Day Feeling Again*, to the 70's and right up to the exciting sounds of the 90's.
